

**Central Regional
Health School**

11 December 2018

Tēnā koe

Thank you for your interest in the position as Central Regional Health School teacher at CRHS - City. CRHS - City is a specialist site where there is a very strong emphasis on supporting students with chronic mental health conditions to transition back to school, further training or employment. This is achieved by working as part of a multi-agency team with students, parents, mental health agencies and schools.

The team at CRHS - City includes teachers, support staff and mental health professionals all working on agreed goals. They are a group dedicated to making a difference in the lives of the students by providing high quality teaching and learning programmes based on individual education plans.

The person specification was developed after consultation with the teachers. They have clearly identified their desire to have a person who can be a trusted effective team member.

I hope you will consider the information attached and forward your CV and a completed application form to be considered for short-listing.

Please email your application documentation to vacancies@crhs.school.nz, or apply on-line through our web-site.

Nāku noa, nā
